"Los de abajo"

By MARIANO AZUELA

181 pages, 12mo. $1.40

Edited by JOHN E. ENGLEKIRK and LAWRENCE B. KIDDLE

"A novel of an intensely dramatic realism. The introduction is a fine piece of work. The text can be highly recommended for any course of Mexican or Spanish-American Literature."—H. SAENZ, University of Nebraska

By Joseph W. Barlow

F. S. CROFTS & CO.

41 UNION SQUARE, NEW YORK

El Indio has been acclaimed as one of finest novels to have come out of Mexico, or from any other country, in the last ten years.

It is also good reading—a book which will be read by the student as an absorbing story, and which in its panorama of Indian life will serve as an introduction to an important phase of Mexico today.

Commenting on the work, Professor S. G. Morley writes "... an admirable piece of editing, and the novel itself is quietly and beautifully written, with effective understatement."
